

How to play

- Start with £5 pocket money
- Roll a dice to move
 - Sometimes you **HAVE** to pay or save
 - Sometimes you can **CHOOSE**
- Add up how your money goes up and down
- When you land on **START** again, you get £5 pocket money
- If you run out of money, transfer money back out of your savings or keep rolling until you get back to **START** (but you can't buy or save until then)

Worksheet 4

My confidence about money

How do I feel right now?

Circle how confident you feel about each sentence:

I can name some ways money comes into a person's life	
I can name some reasons why money leaves a person's life	
I can explain what 'managing money' means	
I can describe some feelings a person might have about money	

At the end of the module

How has your confidence changed?

I can name some ways money comes into a person's life	
I can name some reasons why money needs to leave a person's life	
I can explain what 'managing money' means	
I can describe some feelings a person might have about money	

Something I've learned about teamwork:

.....

What I'm most proud of in this module:

.....

Something I'd like to learn more about:

.....
